

PROVIDING SOLUTIONS THROUGH SERVICE

November 1, 2015

Dear Valued Customer:

This letter serves as notification of approved cleaning solutions and products for the Sage brand of leads, cables and sensors. When used according the manufacturers recommended protocol these cleaning products will not void any warranty for the Sage products. Thank you for your time and please let me know if I can help with anything else.

Approved Cleaning Solutions/Products:

- Green Soap Tincture
- Alcohol Free Hand Soap
- 70% Isopropyl Alcohol
- 2% Glutaraidehyde Solution (such as Cidex)
- Sodium Hypochlorite (Bleach) 10% solution in Water
- SUPER SANI-CLOTH® Germicidal Disposable Wipes by PDI
- CaviWipes™ by Metrex
- SUPER-CHLOR Wipes by Medtrol (Bleach Wipes)

Sincerely,

Joe Harper
President
